

## Scenic routes, mountain passes and towns near SILKBUSH Vineyards

NOTE 1. WR1 is a very scenic drive but there is a very low bridge that floods during the winter.  
NOTE 2. For general touring, we suggest visitors obtain a map of South Western Cape (TME - 5) from the Automobile Association of R.S.A.

The Bainskloof and Mitchells passes, and the small towns of Tulbagh and Ceres are spectacular, 'do not miss' sites. This entire region could be deemed a national park in many countries; budget some time and really enjoy it properly. You'll be glad you did.
