THE MOUNTAIN VINEYARDS

## Silkbush Rosé 2016

### Winemaker Notes

Our Rose reminds us of the absolutely spectacular summer sunsets our mountain bestows on us during the summer months. Grown on the slopes of our Vineyard, above the sweeping Breedekloof valley, an hour and a half's drive north of Cape Town.

Just as diverse as the Mountain Fynbos in our valley, this wine will surprise you with its layers of complexity.

These vineyards are planted in ancient, decomposed granite soil, right up against the emphatic slopes of the Waaihoek Mountains.

### What's in the name

Silkbush Mountain Vineyards hails its name from the Sybasberg (Afrikaans for Silkbush Mountain), one of the highest peaks above our vineyards. Sybasberg by its turn gets its name from the Sybasboom (Silkbush) that grows in isolated corners of our mountain. The Silkbush leaves, when torn, produces silky threads of latex – hence its name. Just as special and unique as the Silkbush is, so is our soils, slopes and vineyards. This is manifested in our wines – you can taste the unique mountain terroir.

### Tasting Notes

This Rose, made from Shiraz, is dry and refreshing. Lots of red fruit and candy floss on the nose with a nice full mouthfeel and dry refreshing finish. Best served chilled like a white wine.

### Food pairing

This wine pairs exceptionally well with fish and seafood, cheese platters and salads. The best patio companion for those quiet summer nights.
