## SILKBUSH Vineyards: about 5 miles east of R43 Highway

IMPORTANT: Once on the R43, note the indicated distances. When you see the left turn sign for Slanghoek, slow down; the right turn for Breerivier is less than a mile ahead. If you miss it, about 3 miles ahead is the T junction with the R303. Make a U turn and come back to Breerivier and turn left toward nearest mountains. IMPORTANT: Even though you are now about 5 miles from the vineyard, please pay attention to this map. You must make three more turns on blacktop road to get to the last mile of dirt. Good navigators have fumbled this last 5 miles more times than we like to recall.
