THE MOUNTAIN VINEYARDS

FOCUSED ON QUALITY-
SILKBUSH WINES TAKE THE GOLD!

THE RESULTS SPEAK FOR THEMSELVES

While we at Silk Bush Mountain Vineyards know our craft and quality of wines, we now have a collection of prestigious wine awards to support our claims. Fifteen medals have been awarded to the Silk Bush Wines! Included in these, are awards from Ultra Value Wines, Michelangelo Awards and the Gold Wine Awards. We are particularly proud of Silk Bush Altitude taking yet another Gold at the 2019 Vitis Vinifera Awards.

THE SILKBUSH ALTITUDE

Spices on the nose with blackcurrant flavours and a hints of liquorice and red fruit. A structured and elegant wine that is long and luscious. A versatile blend that pairs well with red meats and game or white meats such as duck, chicken or scallops.

READY FOR THOSE ROSÉ SUNSETS!

Our Rosé reminds us of the absolutely spectacular summer sunsets our mountain bestows on us during the summer months. Just as diverse as the Mountain Fynbos in our valley, this wine will surprise you with its layers of complexity. No wonder, our Rosé has won Gold at the Gold Wine Awards and Double Gold at the Rosé Rocks Awards.

Enjoy this Rosé with seafood, cheese platters and salads or, as we prefer, on the patio during those quiet summer nights.

THE SILKBUSH *Rosé*

This Rosé, made from Shiraz, is dry and refreshing. Lots of red fruit and candy floss on the nose with a full mouthfeel and dry refreshing finish. Best serve well chilled.
